Subject: Lack of Response on Discovery Matters

I have not received your responses to the following emails:

April 30, 2008 email regarding document and data requests in which BeStar Technologies and the de Youngs' production appears incomplete;
May 1, 2008 email requesting redesignation of certain documents pursuant to Stipulated Protective Order;
May 1, 2008 email summarizing the content and results of our April 30, 2008 conference to resolve the Greilings' objections to our First Request to Produce.

I would appreciate if you would respond today to the emails so that I at least know that good faith, diligent progress on them is being made.
